

## SNOW REMOVAL POLICY

To aid us in the clearing of your **numbered and "V" parking spots**, review the following. Please note that the immediate work day following a snow fall of three or more inches, all parking or court areas will be cleared at the time listed on the bottom of this sheet. Arrangements should be made to have all vehicles removed from the designated snow clearing area during that time.

For easy reference, **please retain the schedule on the bottom of this sheet**. Contact the Office if special arrangements need to be made, such as, illness or vacation.
